O R D E R:

In the reference read above, the Controller has stated that the Government have issued orders notifying the territorial jurisdiction of the ACLM (W &M) in conformity with the zones specified in the Presidential order and redistributed the territorial jurisdictions of ACs on the basis of work load, revenue intensity of the trade and the jurisdiction of the zones specified in the Presidential order so as not cut across the zones or districts. Further the weighing or measuring instruments is not uniform and accordingly the realization of verification fee has also grown non uniformly in the entire Rayalaseeema region covering the districts of Kurnool, Kdaapa Chittoor & Ananthapuramu.

2. He further stated that, the O/o ACLM of Ananthapuramu covers the districts of Ananathapuramu & Chittoor and the O/o ACLM of Kurnool covers the district of Kurnool & Kadapa and the Asst. Controller is the touring officer and has to cover the entire jurisdiction of two districts in (6) months . The traders need to visit the O/o ACM for getting the offences compounded and to get the permission orders for shifting the units concerning Weights & Measures. The ACLM Ananthapuramu is not able to cover the entire jurisdiction of Ananthapuramu & Chittoor with the Headquarters at Anantapuramu as these two districts are very big and the trade is scattered all over the two districts and also at the same time ACLM., Kurnool is not able to cover the entire jurisdiction of Kurnool and Kadapa effectively with the Headquarters at Kurnool. Further the Asst. Controller is competent authority for giving permission for changing the metrological characteristics of a machine of Weighs & Measures due to reallocation of any weight or measure. Hence the traders in Chittoor district find it difficult to come all the way to Asst. Controller office located Ananthapuramu and same is the case with traders of Kadapa district.

3. Accordingly, the controller has submitted the following revised proposal for redistribution of existing territorial jurisdiction of Asst. Controllers of Legal Metrology Kurnool & Ananthapuramu on the basis of work load, revenue, intensity of the trade and the jurisdiction of the zones specified in the Presidential order so as not cut across the zone or districts.

<u>Existing Jurisdiction</u>

1. ACLM, Kurnool	Kurnool & Kadapa Districts
2. ACLM, Ananthapuramu	Ananthapuramu & Chittoor Districts

<u>Proposed Jurisdiction</u>

1. ACLM, Kurnool	Kurnool & Ananthapuramu Districts
2. ACLM, Tirupathi	Chittoor & Kadapa Districts

..2..

4. The above proposal entails shifting the present O/o the ACLM, Ananthapuramu which is presently located at Ananthapuramu to Tirupathi (Chittoor District).

5. The controller has also stated that, the proposal has no financial implications and as such it may be accepted and the orders are issued in the public interest.

6. After careful examination of the entire proposal, Government hereby accord permission to the Controller, Legal Metrology to redistribute the existing territorial jurisdiction of Asst. Controllers of Legal metrology, Kurnool & Ananthapuramu as proposed above and also to shift the present O/o of Assistant Controller of Legal Metrology, Ananthapuram which is presently located at Ananthapuram to Tirupathi (Chittoor District).

7. The Controller, Legal Metrology, Vijayawada is requested to take necessary action accordingly.
